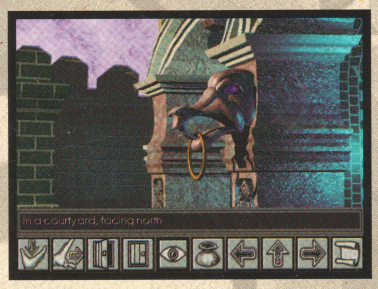
Double speed CD-ROM drive.

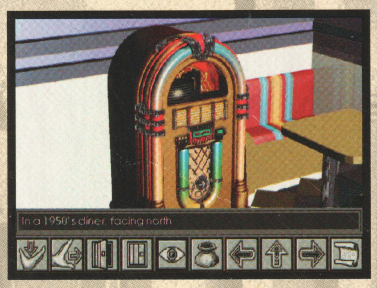
Labyrinth 7330

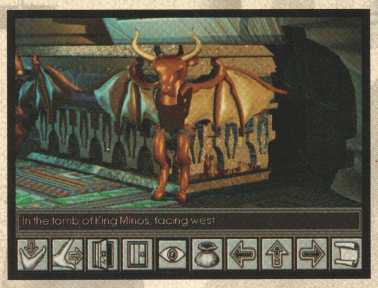
THE LABYRINTH OF TIME

AN EPIC FANTASY OF TIME TRAVEL AND ADVENTURE • POSSIBLE ONLY ON CD-ROM

TRAVEL THROUGH TIME







The legendary King Minos has commissioned a labyrinth bridging time and space. Once completed, this labyrinth, with doorways into all eras of history, will allow Minos to rule the Earth.

You have been chosen as hero. Abruptly lifted from your routine existence, you have been dropped into a realm where time and space hang in check. Through exploration and puzzle solving, you must overcome the awesome power of Minos and destroy the labyrinth by manipulating the very fabric of history.

Beware - the future may not unfold in quite the way you have planned...

FEATURES

Over 1800 high resolution images, representing over 275 locations

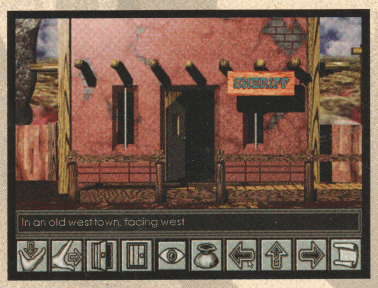
Over 25 megabytes of music and sound effects (soundboard required for the PC)

Stunning 3D rendered, 256-color ray-traced graphics

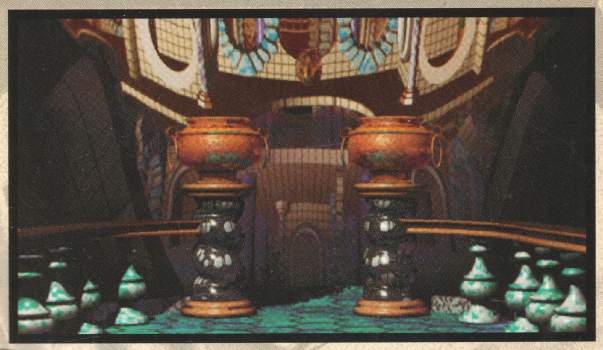
Simple point-and-click interface

Hours of exploration within a photorealistic world

Plays directly from the CD: no need to copy files to the hard drive



From the ancient past to the distant future.



The web of history is the ultimate labyrinth.
